Sundridge and surrounding area is the hub of the Almaguin Highlands Region. We are located 2 ½ hours north of Toronto and accessible by 4 lane Highway, Rail, Bus and Air. The clean and relaxed living atmosphere magnifies the friendly small town vibe found in Sundridge, which also has a great deal to offer any business or industry wishing to locate in our area. Not only do we have routing access to various transportation systems we also have access to high-speed internet infrastructure.

Please peruse our website and for any additional information please contact the Sundridge Municipal Office.
